Announcement

In the spring of 1919 we purchased the entire Stock, Name and Good-Will of THE GRANITE STATE NURSERIES situated at Durham, N. H.

By this transaction we secured some very good trees, shrubs, etc., which we are offering with our own equally high grade stock as described in this catalogue,

Introduction

We exercise the greatest care to have all trees and plants true to name and will replace any that may prove untrue, and are always willing to correct any errors on our part; but we are not responsible beyond the original amount received for stock.

When proper care is used in planting we guarantee 90 per cent. of our trees to live. We will superintend planting or plant at reasonable prices, and guarantee all stock to live.

Deliveries

Deliveries will be made by team or truck when practicable.

Shipments by freight or express delivered free to the railroad or express company.

Small packages sent by parcel post C. O. D. when desired.

TERMS: *Cash with order or when delivery is made.*

SATISFACTION GUARANTEED

The following lists contain the old standards and what we consider the most desirable of the new varieties. If we have not listed everything you desire please advise us, as our connection with other growers enables us to furnish, at reasonable prices, any trees, shrubs or plants suitable for this climate. We have in the nursery varieties which we have not listed, some of which we are experimenting with before we recommend them.

Testimonials

Dear Sirs:

I enclose order for 20 more McIntosh. Hope you can give me as good trees as you sent last year—they were exceptional stock.

Gentlemen:

I want to say the goods came in fine condition and we are very much pleased with them.

Gentlemen:

The shipment of trees was received in good order and they appear to be entirely satisfactory.

Dear Sirs:

The strawberry plants arrived O. K. Thank you for the prompt delivery.

Dow Nurseries:
